ABOUT THE PROJECT

Our school is participating in the Roll Smart, Ride Safe video campaign — a fun, fast-paced series of short videos that teach students about bike and e-bike safety, helmet use, and traffic laws.

- **Lead roles:** delivering short scripted safety lines (“Yikes! Glad I wore my helmet!”).
- **Light acting:** dusting off after a simulated near-miss, picking up a bike, reacting to a close call.
- **Extras:** reacting in the background to show surprise or relief.
- **Wardrobe:** normal riding clothes — bring your own bike helmet.

SAFETY: All “crashes” and “near-misses” are simulated through acting and creative editing. No students will be placed in actual physical danger during filming.
